Connie	Like	"The scrummiest one of us all. How many scrums could a scrummer scrum if a scrummer could scrum scrum?" "helped with project code finalization" "helping getting things finished, showing up to all the meetings" "Always keeps everyone up to date and does most of the team communication"	"Added a black color to the orb." "Always gets docs done and reminds people about tsrs and such." "reminds us of TSR :)" "helped add more functionality to the project."	"Put in some work to add secondary colors to the canvas. effective communication." "contributing to programming tasks" "Always reminds everyone when something is due." "Added more features to the UI"
	Improve		"Doesn't take the lectures seriously."	
David	Like	**SCRUM master** "took two seconds to build project on steven's project" "Changed the client application to accommodate the new LED strip" "Our debugger. Good at fixing bugs."	**SCRUM master** "never read your tsr comments until now. I like them" "Created the foundations for the client, has the most experience with our client. Gets stuff done and doesn't complain." "communicating well with team to finish final tasks quickly. hard worker" "code pushes always advance to the project to the next level by adding a major component."	**SCRUM master** "David's skills in getting new code setup helps in getting tasks started. great coder." "working hard on client code" "works on the layers for the orb" "Doing work on the client"
	Improve	"He can be very mean sometimes. Doesn't think wieners are funny."	"I fear for his safety in Oakland."	
Kevin	Like	"made user document on collaborative site" "He's trying his best. Changed the eraser icon, various documentation stuff. Never give up little guy, you can do it!" "showing up for meetings, helping with docs and finishing last minute problems" "Doesn't mind doing the lame stuff like UI and documentation. Also Kevin has a great attitude, always gets his shit done and doesn't complain."	"good at documentation. best scrum master of the team" "Tries to get the team together to work on things." "I like all the things about Kevin that I did previous... i.e. none." "this guy is helping out with everything."	"working hard on client code, communicates well" "Kevin's been killing it. He has done tons this sprint." "completes all required documents on time" "Upgraded the user guide"
	Improve	"Working on UI/bug fixes and did a lot of the documentation stuff."	"Feels a need to show off basic LaTeX skills."	"Trash talking. His sucks."
Reid (PO)	Like	"picked a good switch" "Funded the project and finished the integration testing" "Succesfully repaired the hardware and made sure that the hardware and software synced." "Despite everything going more to hell (his computer broke) he still managed to get shit done."	"Very proactive with our LED strip failing." "got more blinky lights" "Stayin positive when the hardware broke." "Amount of effort he has put into bluetooth and hardware is great"	"effective communication. Hardware guy." "Staying positive despite breaking the project." "working on the hardware and fixing any bugs Did some integration testing"
	Improve		"come to meetings"	
Steven	Like	"motivated to make program work on new computer" "did work on the presentation. cool." "showing up for meetings, helping with docs" "Makes it really easy to mess with him. Also done his work and doesn't complain."	"good try adding the eraser" "communicates well on Facebook group. hard worker" "helped implement some functionality into the project. Improved bluetooth code."	"Bluetooth guy. His witty comments and funny attitude creates a friendly and comfortable atmosphere." "communicating well, helping with tasks Attitude." "keeps team on track and works on bluetooth"
	Improve	"should help more with finishing last minute stuff on the client code"	"Unicode... Please"	"Laughed when I was skeptical of how fast bluetooth was. Look who is laughing now, no one."

Connie	Like	"A good scrummer" "Continues to communicate well and help keep tasks on track" "Gotten lots of the paperwork done"	"Keeps updating us on all the stuff that is due because none of us remember." "communicates well" "Comes early to every meeting"	"Still keeping everyone on track and making sure the documents get completed" "A good scrum master"
	Improve	"Hasn't done much programming"	"contribute more to the programming tasks"	"Didn't do job as SM to maintain scrum board or burnup chart"
David	Like	"His code is heinously ugly, but it gets the job done" "Better communication and working hard" "Assigned roles to other team members"	"Made the program output an array." "working to finish programming tasks on time"	"Took initiation and created a program to draw on a rotating canvas" "Continuing to work hard on java client. It's starting to look really good"
	Improve		"communication" "Doesn't recognize that Python is the language of the gods, and that C++ is garbage."	"Check facebook group messages Comment code"
Kevin	Like	**SCRUM Master** "Implemented a scroll bar all by himself" "Communicating well and working hard on the app despite midterms" "Kevin did tons of work, all the stuff I didn't want to do. Thusly I have forgiven him for being late to past meetings." "Works on program in a timely manner"	**SCRUM Master** "Gave ideas for the app and outputting array." "Kevin is the documentation ... explicit words... We all love him for that." "communicates well"	**SCRUM Master** "Responds to emails from TAs quickly" "communicates well" "Good job keeping charts up to date" "Doing lots of the paperwork stuff"
	Improve		"Kevin also showed up 30 seconds late to one of our scrum meeting. We might have to kick him out of the team." "contribute more to programming tasks" "Never comes to class"	
Reid (PO)	Like	"Got the teensy working" "Seems to have gotten bluetooth mostly working." "finished hardware in a timely manner"	"Finished the hardware." "Everything, guy's a boss." "Great at hardware"	"Worked efficiently on the hardware" "Keeps making the hardware more awesome" "Getting lots of work done on the hardware side"
	Improve			
Steven	Like	"Communicates well and continues to work hard" "Working with Reid to get the bluetooth module working" "tested application and hardware"	"Researched about the bluetooth hardware." "Created the bluetooth module that no one wanted to make!" "communicates well & working to finish tasks on time"	"Took initiation for the canvas app and Bluetooth" "Helped finish burnup chart communicates well" "Figured out the easiest for us to do bluetooth."
	Improve			"Doesn't realize how much I hate python"
